

ACE ASSESSING SERVICES

RESUME : STEVE MARSHALL

After qualifying as a panel beater in 1978, I moved to Australia from New Zealand and commenced work for Paramotors Repair division in Perth in 1979, through to 1983.

Paramotors then changed to John Hughes Skipper Mitsubishi Panel and Paint (in West Perth) and I remained with the Company until August 1993. During this time I was a panel beater for four years, followed by 6 years as Panel Shop Manager. This entailed the supervision of eight staff, quoting, parts control/ordering, Customer Service and Quality control.

In 1993 I transferred within the John Hughes Group to Titan Ford Panel and Paint as General Manager. Here I supervised 15 staff, quoted, parts control/ordering, Customer Service and Quality Assurance.

I became a self employed assessor in August 1995, assessing damaged motor vehicles (cars, motorcycles, caravans, trucks and buses) for various Insurance Companies.

I consider myself well known and highly regarded in the industry in Western Australia.
